WOMEN IN PROFILE

To our valued clients,

We are delighted to bring to you our second issue of Women in Profile, our publication dedicated to supporting the inclusion of Women throughout business in South Africa today.

Highlighted in this profile is a wonderful variety of female candidates – from two superb Human Resource candidates currently available in Gauteng to an Accountant available in the Free State. Our Western Cape office features two top women from Fashion Buying and the Marketing field and our KwaZulu-Natal colleagues are working with three senior managers from a variety of industry sectors.

We have felt so privileged to meet these talented and experienced women and look forward to working with you to meet your resource requirements as the year draws to a close.

With warm wishes

Thandi Chaane

Please contact Lisa Theron on 011 706 9006 or on email lisa@siyakha.co.za for more information on these or our other female candidates currently available.

We are able to offer senior candidates in the following industry sectors:

- Engineering
- IT
- Finance and Banking
- Human Resources
- Transformation

Gauteng Candidates

Two excellent Human Resources candidates are available in Gauteng this month:

Human Resources Executive (Ref: LT/HR02)

If you are seeking a dynamic, energetic and vibrant Human Resources Executive/Director, this candidate is for you. She has a Bachelors degree (Psychology & English), a Higher Diploma in education, a diploma in Human Resources Management & Training and has completed her Programme for Management Development. Having worked in diverse settings and within a dynamic legislative environment she has had to be flexible, open to change and quick to learn and apply the learning to the business. Her exposure has been both national and international, having worked in companies outside of South Africa. Her approach is one of HR partnering to deliver against the bottom line business objectives and believes that people are the core of business and through its people, the business objectives can be successfully achieved.

Human Resources Executive (Ref: LT/HR03)

This strategic Human Resources Executive has had extensive exposure to government and parastatals. She holds a BA degree in Social Work and a BA Social (Psychology) Honors degree. She has also completed various courses through the Gordon Institute of Business Science (GIBS) including an Executive Development Programme, Strategic Development and Strategic Change Management as well an Advanced Programme in Supply Chain Management through UNISA. Her strengths lie in Talent Management, Organisational Development, Change Management, Training at Strategic level, Diversity Training and Transformation and she has a strong passion for coaching.

KwaZulu–Natal Candidates

Programme Manager (Ref: DM/NM)

This inspiring candidate has uniquely coupled her passion for science with her interest for environmental affairs. What sets her apart from other women in her field is her ability to be a pioneer in a multitude of areas and enjoys the creative space where she can create and implement projects and programmes. She has over 7 years experience in the environmental field and holds a variety of qualifications including an Honours degree in Science (Recombinant DNA Technology and Methods) and Masters Degree in Project Management. Her skills include Risk Management, Stakeholder management and advocacy, project and programme management and invasive alien species management. She has been invited to serve on many advisory boards owing to her vast expertise. She aspires to work in a consulting environment where her skills can be utilised to assist with rural development from an environmental perspective.

Quality Assurance Manager (Ref: DM/NL)

Diplomatic, diverse and results driven are words her colleagues use to describe NL. Her diversity is shown in her degree in Pharmacy and certificates in Implementation and Evaluation of ISO 9001:2000 and Project Management Programme. She is currently studying towards a Public Procurement and Supply Chain Management Qualification. Her attention to detail and love for a demanding work environment does her well in her field. She is passionately involved and looking for a challenging position within the Supply Chain and Warehousing environment.

Business/Marketing Manager (Ref: DM/SRN)

This candidate is a born leader which exudes in her flexibility, assertiveness and patience to train her team. She prides herself on loyalty and her commitment to her team. SRN holds a Marketing and Sales Diploma and has completed a Management Development Programme. She has over 10 years of experience in the motor industry with her focus on management and sales, and has extensive experience in the aviation industry with her focus on marketing. She has also served on executive committees in the aviation field. This candidate is looking to relocate to Johannesburg in the near future.

candidates currently
available.

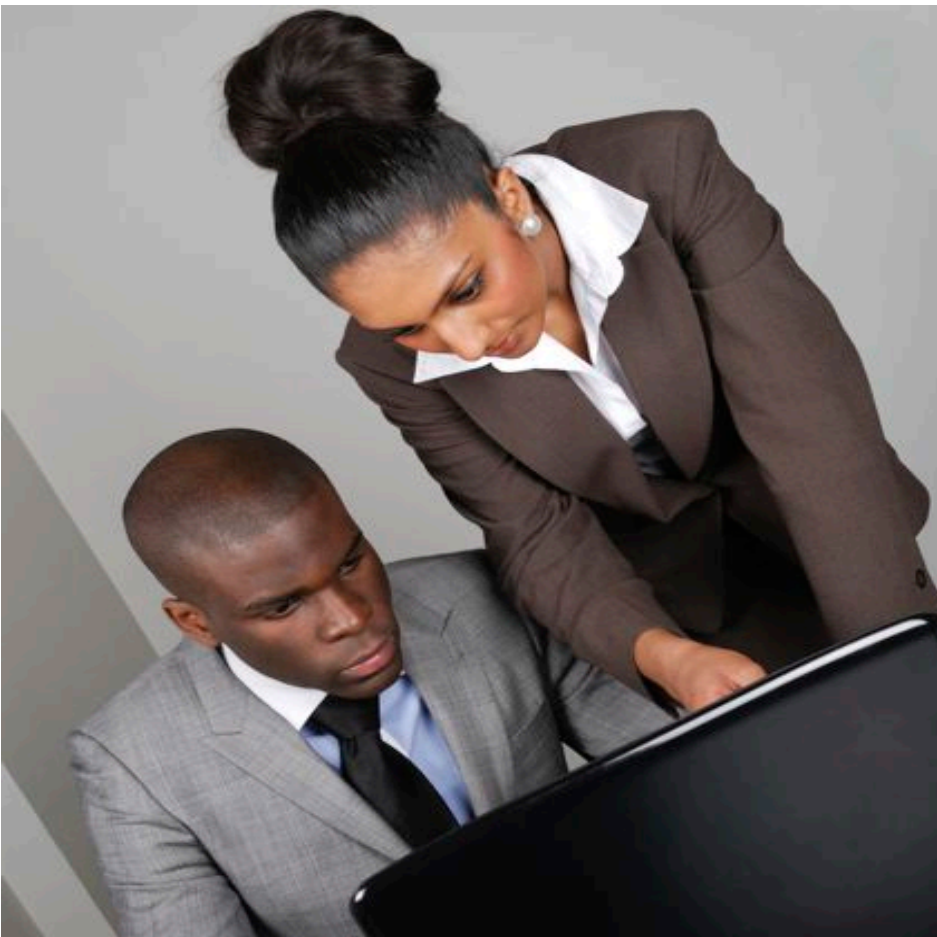

Cape Town Candidates

Fashion Retail Buyer (Ref: RT01/CPT)

After completing her Fashion Design Diploma this young, motivated and dedicated professional entered the world of fashion retail and has since accumulated 12 years of valuable work experience including 7 years within fashion buying. She has a natural flair for fashion and further skills include business analysis, range building, imports, purchasing and negotiating. She is now ready to move into a more senior position.

Marketing and Brand Consultant / Manager (Ref: MK01/CPT)

Well spoken, career orientated professional with many years' experience in marketing and brand strategy, new product development, product launches, promotions and advertising to name but a few. With an MBA and various other supporting qualifications as well as her intelligent and entrepreneurial approach to business, this candidate can offer a wealth of knowledge and experience to the right employer willing to offer career growth and challenging opportunities.

Free State Candidates

Civil Engineer (Ref: LM/ FS)

This very experienced senior candidate holds a BSc.(Applied Sciences) Honours Degree. She has extensive background experience in management, including amongst others – project management, report writing and supervisory skills. She has been actively involved in contract management, budgeting for large infrastructure ventures, infrastructure planning and implementation and project management at regional and national level. She has broad skills in establishing partnerships with strategic stake holders like the South African National Roads Agency Limited (SANRAL), Airports Company South Africa (ACSA), South African Commuter Rail Services, municipalities and other relevant stake holders.

Accountant (Ref: TS/FS)

With a Bachelor's Degree in Accounting, SAP FI/CO Professional Qualification at SAP Academy, this candidate has vast experience during her working career with large corporates. She has a passion for figures and enjoys working with systems. She is a very self motivated candidate and strives to be successful in all duties and responsibilities. She has experience in the mining industry as well as building and construction industry.
